23 Years and Counting!

Congratulations to the San Pasqual Academy Class of 2024. The 23rd graduating class for the Academy! Many of the graduates will be continuing their education at various colleges and universities, including the University of Hawaii, CSU San Marcos, Sacramento State University, and the local community colleges Palomar, Grossmont, Mira Costa, and Mesa. Graduating from high school is a tremendous milestone in the lives of foster teens. It means they made it! We are so gratified to have a part in their journey to being productive citizens.

The campus continues to thrive, and Friends has been there all along to ensure the foster teens enjoy a traditional high school experience. We sponsored the 2023 Holiday Party, 2023-24 New Years Eve celebration, provided gift baskets for Valentines Day, hosted the 2024 Prom and, most recently, the 2024 Graduation Luncheon. At the Graduation Luncheon, each senior received the traditional “Duffel Bag” to outfit their first dorm room or apartment. The Duffel Bag included a tool kit, first aid kit, towels & sheets, mini-blender, coffee maker, George Forman Grill, a laptop computer and so much more. They also received a “Laundry Bag” courtesy of TVIA and a “Laundry Basket” courtesy of NCL. Both filled with essentials for starting out in a new place. The response we have received from the alumni who received these gifts has been so positive and ‘how did you know we would need all this stuff!’ Just another way Friends is there well after graduation.

We also hosted a luncheon for Mark Milliron, President of National University and his team. They toured the campus and saw first-hand the positive environment that has been created for the foster teens. We currently have two Academy alumni who are in National University’s Masters programs and expect to graduate in the next year.

In April, we sponsored the annual San Pasqual Academy Agricultural Program Volunteer Day. We had over 160 volunteers from a variety of groups including National Charity League, In-N-Out Burger, Serve.org, and Rotary Clubs of Escondido, Rancho Santa Fe, Coronado, and La Jolla Sunrise.

Everything that we do in support of the foster teens of San Pasqual Academy is made possible by YOU, the volunteers and donors who contributed time and money to Friends of San Pasqual Academy. Without any formal fund-raising events, we continue to provide a high level of support to the kids of the Academy. You are making a difference in their lives and the lives of all the people they will eventually touch.

We say **Thank You** so much!
