**Graduation Gifts
Outfitting All the Grads**

We have just celebrated our 23rd Graduation of foster teens from San Pasqual Academy. The time has gone by so quickly—and has been so rewarding for all those involved. Since our last Newsletter we have had the annual Holiday Party, supported the Track and Golf teams, furnished cottages (living areas for the kids) and most recently, outfitted the Class of 2025 with the essentials they will need as they go on to their future challenges.

During the Senior Luncheon, each graduate received a scholarship from Friends of San Pasqual Academy, in addition to the support they received from National Charity League, Teen Volunteers in Action, Soroptimist International, Rotary and more. This is the signature event that epitomizes the wonderful support the foster teens receive from the Friends throughout their high school adventure—demonstrating that people do care about their well-being and opportunity to succeed.

All of what we do is made possible through the generous support of all the donors to Friends. Our 2025 Volunteer Day drew over 200 community members to work in the Academy’s agricultural program. From planting trees and seeds, to weeding, prepping raised growing bins and more. The day was finished off with a luncheon provided by the Academy. Again, a tangible portrayal of people caring about the success of the foster teens.

Next up for us is the Shop ‘Till You Drop event, where each student has the opportunity to ‘shop’ for school supplies, hygiene products, hoodies and more---all provided by Friends and associated support groups. This enables each student to start their school year with all the items they need to tackle the academic year. Then onto to athletics, homecoming and the holiday season.

Through your support we can be there for the foster teens to ensure they have all the opportunities of a traditional high school experience.

Thank You so much for your continuing support!
