“Setting the Community’s Foster Youth on a Path of Success”

AUGUST 2026

Congratulations to all of Friends of San Pasqual Academy’s volunteers and donors! You have been recognized as a California Non-Profit of the Year by Assemblymember Dr. Darshana Patel. This recognition was made possible by all support that you have enabled Friends to provide for the foster teens of San Pasqual Academy. Once again **CONGRATULATIONS!**

At graduation this year the Class of 2026 represented the 25th graduating class of the Academy. During this time, we have had the opportunity to work with hundreds of foster youths as they earn their high school diploma. With the graduation rate of 52% for the general population of foster youth in San Diego County—the Academy’s 90+% rate illustrates what a difference the Academy is making in the lives of these young people.

Graduation from high school lowers the probability of homelessness and provides the foster youth with a major accomplishment. Coupled with the scholarship support provided by Friends, the grads have an opportunity to pursue higher education or vocational training. Opportunity being the key word—given the opportunity and support the foster youth have a better chance of succeeding.

Thank you to all of those who participated in the 2026 Volunteer Day, our Shop ‘Till You Drop event, Graduation and the Holiday Celebrations. Once again, Teen Volunteers in Action (TVIA), National Charity League (NCL) and our local Rotary Clubs were front and center in their support of the Academy’s foster youth. We say Thank You.

2026-27 begins another year—and another opportunity—to have a positive impact on the foster teens of the Academy. We look forward to your support that enables us to sustain the programs and make sure that each of the students can enjoy a Traditional High School Experience and earn their diploma.
