San Pasqual Academy
Celebrating
25 Years of Serving the
Foster Youth of San Diego

This school year San Pasqual Academy is celebrating its 25th Year of serving the Foster Youth of San Diego. Friends of San Pasqual Academy is celebrating our 24th Year of being there for the kids of the Academy to ensure they have a positive, Traditional High School Experience.

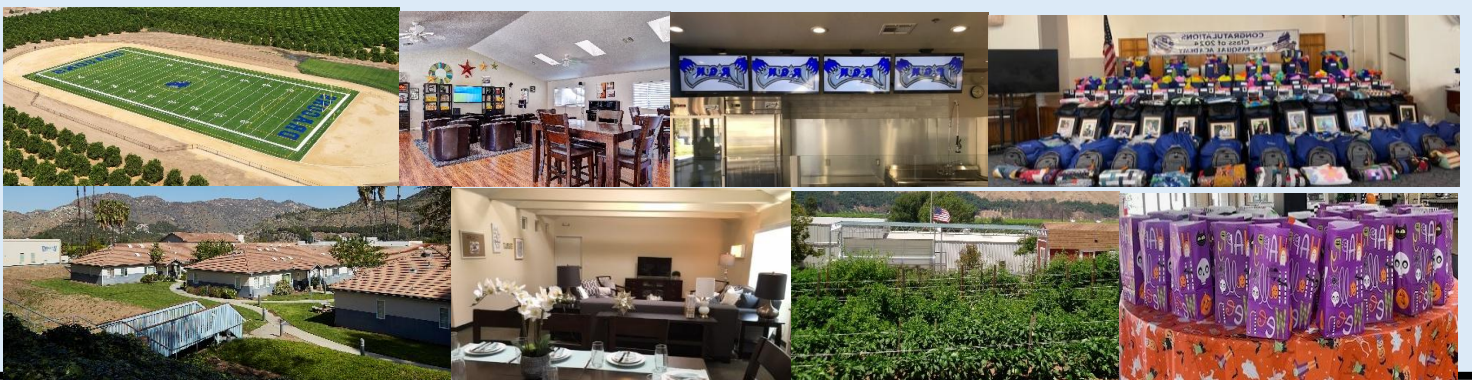

Friends’ volunteers and donors have been instrumental in supporting the school programs, including Prom, Homecoming, College Field Trips, Athletics (from uniforms to Sports Banquets). We have made sure that every Academy student is recognized on their birthday with a birthday card and gift. From the little things to the big things—our volunteers have been with the kids throughout their high school days. We’ve help build a football field, softball field, renovated the pool, ‘Dragon Lounge’ and living areas and more.

We just held the annual Thanksgiving Celebration, where we hosted a turkey dinner with all the trimmings for the students and staff at the Academy. This annual events brings everyone together. Next month we will host the annual Holiday Party, including a visit from Santa Claus. Every foster youth at the Academy will receive gifts from their ‘wish list.’

Everything Friends of San Pasqual Academy has accomplished over these past 23 years is the result of the support we have received from you. As a Friends volunteer or donor, your contributions have had a meaningful impact on the lives of the foster youth of the Academy. This year over 200 volunteers enjoyed the “Volunteer Day” in the agricultural program. Your hours of support, coupled with the donations we have received, are **Making A Difference**, continuing a Bridge to Knowledge, Support and Hope.

The kids of the Academy repeatedly tell us how much they appreciate what the Friends are doing for them—we’ve been doing this for 23 years and it never gets old.
