I received a call from Debbie Syverson a few minutes ago. She had just come from the meeting I referred to yesterday. FIRST, You and I need to write to our supervisors to express our displeasure about decision letter sent to San Diego County authorities titled "Notice of Termination of San Pasqual Academy (SPA) Pilot Program Effective 10-01-2021". I requested a copy of this letter under public disclosure rules. When I receive the letter I will circulate it to you.

SECOND, you should mention that the communication from Chair Nathan Fletcher's office was terrible, no other word for it other than insensitive.

Debbie wanted me to circulate the UC Davis Report, dated 2020, favorably citing many successes of SPA. Attached is a summary of the report prepared by SPA. I need to reduce the full report to a file I can email so be patient.

LAST, WRITE. There are 5 SD County Supervisors. [sandiegocounty.org](http://sandiegocounty.org) shows you all 5 and their areas. If you are in La Jolla, google [supervisornathanfletcher.com](http://supervisornathanfletcher.com). This will open a

communication slot to contact Supervisor Fletcher. Please do this tonight or tomorrow - time is of the essence.

We've invested 20 plus years to ensure that the young adults at SPA refreshing organic food sources, improving the beautiful campus, rebuilding infrastructure. providing scholarships, rehabilitating housing, attending graduation and special events like the dedication of the new women's softball stadium by baseball's commissioner and men's football field provided by Charger players all to one purpose - that students at SPA would have enough of the right stuff to support success. Please write or email.
